ARIZONA CORPORATION COMMISSION
STAFF'S SECOND SET OF DATA REQUESTS TO
COX ARIZONA TELCOM, LLC
DOCKET NO. T-03471A-07-0167

JFB1-1 Please explain what Cox currently does when a Facility's PRI 2 B-Channel is transferred by Cox.

Response: Since this is a new service offering by Cox, there is no action that is being performed.

JFB1-2 Please explain if the transfer of the Facility's PRI 2 B-Channel is currently being done at no charge.

Response: There are no customers currently receiving this service since this is a new service offering.

JFB1-3 If the transfer of the Facility's PRI 2 B-Channel is currently being charged out of another section of the tariff, please identify that section of the tariff and attach a copy of the page(s) containing the current rate and maximum rate to be charged to the "Facility".

Response: See response to JFB1-2.

JFB1-4 Please provide a definition of "Facility".

Response: In the tariff under section 3.1.5.1, the word "facility" references the actual connection pathway used for a PRI circuit.

JFB1-5 Based on the month ending January 31, 2007, indicate the number of facilities that would be impacted by the current rate of \$100 for NRC within Cox's service area in Arizona.

Response: None as this is a new service offering being requested to take effect April 20, 2007.

JFB1-6 Based on the month ending January 31, 2007, indicate the number of facilities that would be impacted by the current rate of \$25 for a Monthly charge within Cox's service area in Arizona.

Response: See response to JFB1-5.
